Report on Violence Against Women

Date: 01-12-2022

Vardhaman is proud to be a celebrant of the International Day for elimination of violence against women. To mark this occasion, we have organised an enlightening workshop "Elimination of Violence against Women" on 3rd December 2022 at Mini Auditorium. All the girl students and female faculty members joined in this event and motivated and reassure women about their rights.

Respected Sir/Madam,

Greetings from NAAC.

This is with reference to your proposal seeking academic collaboration with NAAC without financial assistance for organizing state/national level workshop/seminar/conference on the topic Effective implementation of NEP 2020 in the realm of Engineering Education in your institution. After due consideration your proposal has been accepted for academic support of NAAC without financial grants. The academic support is subject to the adherence to the enclosed procedures. Academic support by NAAC entitles your HEI to use of NAAC's name and logo as collaborating academic partner of seminar.

NAAC appreciates the initiative taken by your institution and hope that you will continue to strive for quality and excellence in Higher Education.

Yours sincerely,

(Prof. S.C.Sharma)

**Two-Day National Level Seminar (Online) on
“Effective Implementation of NEP 2020 in the Realm of Engineering Education”
(05-08-2022 & 06-08-2022)**

Message from the NEP-2020 Coordinator, IQAC

It is my great honor and pleasure to organize a Two-Day National Level Seminar (Online) on “Effective Implementation of NEP 2020 in the Realm of Engineering Education” held on 05-08-2022 & 06-08-2022 in association with NAAC, Bengaluru.

As we know that NEP 2020 is a seminal change brought to the education policy of India. The foundational pillars on which the edifice of NEP 2020 has been built are Access, Equity, Quality, Affordability and Accountability. NEP-2020 stresses upon a multidisciplinary approach of professional education, including engineering education.

The idea behind this initiative was germinated when we conscientiously studied the NEP-2020 policy and its underpinnings. The policy dwells on the idea of inclusive education where education moves ahead from merely being domain specific to spreading education across various disciplines. NEP-2020 stresses upon realising the full potential of technology in this sphere of education.

I am certain that this Seminar will result in novel exchange of ideas through informative content delivery by experts from Former AICTE Chairman, Directors, Former Principal, Vice Principal, Professors, NITTTR-Chandigarh, Dean at Institute of Public Enterprise, Jai Narain Vyas University Jodhpur & Devi Ahilya University, Indore. Keynote speeches from Former Chairman AICTE and Former Principal MSRIT, Bengaluru will help participants to gain significant inputs on the various facets of NEP-2020, this symbiotic exchange of ideas can be considered as an opportunity for continuous improvement. The overall objective is to facilitate a forum for identification, holistic understanding the Effective Implementation of NEP 2020 in the Realm of Engineering Education.

We hope that all the participants gain qualitative insights and have a productive time at this Seminar. Let us collectively strive towards excellence and contribute towards further enhancing the quality of higher and technical educational institutions in our beloved nation!

Preamble:

The National Education Policy 2020 is aimed at transforming the Indian Education System to meet the needs of 21st Century. It comes with a view of developing the next generation of citizens who are not only professionally competent but also principled and empathetic. Education will guide the learners into their fields with a more comprehensive approach, with research avenues being made a core part of their curriculum

In the view of above it becomes imperative to understand the various nuances of this seminal document. It is important to understand the institutionalisation and implementation of the NEP 2020. The seminar on the Effective Implementation of NEP 2020 in the Realm of Engineering Education is a benchmark approach towards understanding the big picture of how technical institutions can play an important stakeholder in view of this policy.

As among the leading technical institutes in the country, Vardhaman college of engineering decided to read between the lines of the policy and establish a discourse upon a topic which holds the destiny of the nation.

In view of the above, IQAC, Vardhaman College of Engineering, Hyderabad organised a Two-Day National level seminar on “Effective Implementation of NEP 2020 in the Realm of Engineering Education” on August 5th and 6th

Theme of the Seminar:

Effective Implementation of NEP 2020 in the realm of Engineering Education

Dates of the Seminar: 05-08-2022 to 06-08-2022

Platform: Online via Microsoft Teams 

- a. Objectives:** The National Education Policy 2020 aims at achieving holistic development through education. It comes with a view of developing the next generation of citizens who are not only professionally competent but also principled and empathetic. Education will guide the learners into their fields with a more comprehensive approach, with research avenues being made a core part of their curricula. The policy dwells on the idea of inclusive education where education moves ahead from merely being domain specific to spreading education across various disciplines. NEP-2020 stresses upon a multidisciplinary approach of professional education, including engineering education. The seminar therefore aims at understanding the process of application of the NEP 2020 from this perspective. Its objectives are

- To devise a plan to implement NEP -2020 in engineering institutions and curriculum framework in accordance with the same.
- To understand making research an integral part of engineering education
- To promote application of multidisciplinary thinking in all the programmes of engineering
- To analyse the existing industry-institution collaboration on various platforms and finding ways to strengthen it further for future ready engineers
- Role of faculty in the implementation of NEP and the need for training programmes
- To discuss the ways to include value-based education alongside professional training.

b. Sub Themes:

- Curricular development: Multidisciplinary approach in designing curricula; identification of suitable elective courses
- Learner development: Inclusion of courses that contribute to holistic development
- Teacher development: Teacher participation and teacher training
- Research development: Collaboration with industry, other HEIs for research avenues; inclusion of research in curricula; multidisciplinary research opportunities
- Bilingual education: possibilities of bilingual technical education and challenges in implementation
- Infrastructure: review of existing infrastructure and identification of additional facilities for the effective implementation of NEP2020.

About the Program:

IQAC, Vardhaman College of Engineering (VCE), Hyderabad conducted a Two-Day National Level seminar on “Effective Implementation of NEP 2020 in the Realm of Engineering Education” in association with NAAC on 5th & 6th August. The seminar was witnessed by 232 participants and Ten erudite Speakers. They were welcomed by Chief Coordinator, VCE Dr. JVR Ravindra. The event was graciously inaugurated by Prof. S S Mantha, Ex Chairman AICTE.

Day #01 of the seminar was phased into three parts. Commencing with prayer song and moving on to Inaugural session and Keynote by Prof. S S Mantha and Dr. K. Rajanikanth. The speakers presented their highly informative and resource rich presentation on the second and third phase of the event which were “Curriculum Framework & Research an Integral Part of Engineering Education in the view of NEP-2020 in HEI’s” and “Promotion of Multi-Disciplinary Engineering in HEI’s” respectively. Finally the day concluded with audience interaction where plethora of thought provoking queries were raised and resolved.

Speakers for day one were:

- Prof. S S Mantha, Former Chairman AICTE
- Dr. K. Rajanikanth, Former Principal, MSRIT, Bengaluru
- Dr. S. Viswanadha Raju, Vice Principal – JNTUHCEJ Jagtial
- Dr. Balwinder Singh Dhaliwal, Associate Professor, ECE Department, NITTTR, Chandigarh
- Prof. S. Renukadevi, Professor, Engineering Education Department, NITTTR, Chennai.

Day #02 of the event commenced with a prayer song. The day was distributed into three broad categories. The speakers enlightened the participants with their knowledge on “Identification on different platforms to strengthen industry ready in view of NEP-2020” and “Role of Faculty in implementation of NEP-2020”. Towards the conclusion, audience interaction and feedback session were conducted successfully. The event was finally solemnized with the National Anthem.

Speakers for Day Two were:

- Prof. N.V. Ramana Rao, Director, NIT Warangal
- Prof. M. L. Sai Kumar, Prof and Dean at Institute of Public Enterprise
- Dr. Sandeep Singh Gill, Professor, Head Dept. of Information Mgmt & Coordination, NITTTR, Chandigarh
- Dr. Kalpana Purohit, Professor, Head Dept. of English, Jai Narain Vyas University Jodhpur
- Dr. Maya Ingle, Professor of CSE, Devi Ahilya University, Indore

Welcome Address by Chief Coordinator:

Dr. JVR Ravindra

Principal,

Vardhaman College Engineering, Hyderabad

Date: 05 August 2022

Time: 09.50AM to 10.00AM

He gave a warm welcome and expressed gratitude to all the dignitaries and participants. He informed the guests about VCE and what sets it apart from the rest. The major strength lies in imparting quality education at par with the global standards and envisages to address various societal needs. When it comes to academics, the college has highly qualified and experienced faculty with expertise in various domains. He spoke on the importance of NEP -2020 and how it is going to usher pivotal changes in the domain of technical education. He also encouraged young researchers to take up research and lead the country forward. He concluded by expressing his gratitude and wishing the best to all the guests .

Day #01 Proceedings

Inaugural Address:

Chief Guest: Prof. S S Mantha,

Former Chairman AICTE

Date: 05 August 2022

Time: 09.50AM to 10.00AM

Prof. S.S Mantha appreciated the initiative taken by Vardhaman College of Engineering for taking up the initiative to host the Two-Day National Level seminar in association with NAAC, Bengaluru. He also praised the college to have secured NAAC A++ rating.

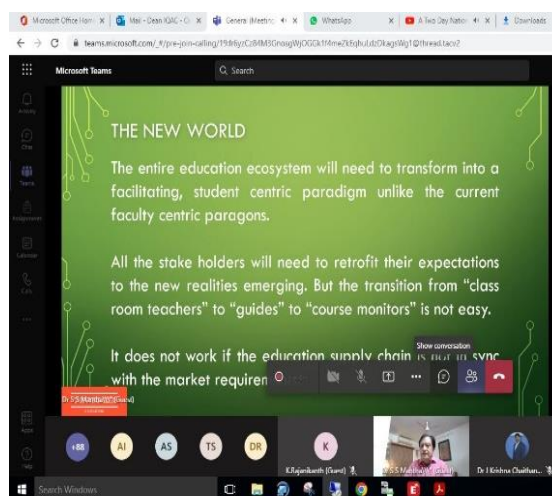

Keynote Address-1: Prof. S S Mantha, Former Chairman AICTE

Date: 05 August 2022

Time: 10.00AM to 11.00AM

The keynote session was taken up by S.S Mantha, in his thought provoking address he stressed on several factors of NEP-2020

- The implementary challenges being faced by NEP-2020
- Introspected on the ancient methods of Indian education system
- Importance of staying connected to root languages
- Importance of cognitive flexibility and skill-based curriculum.

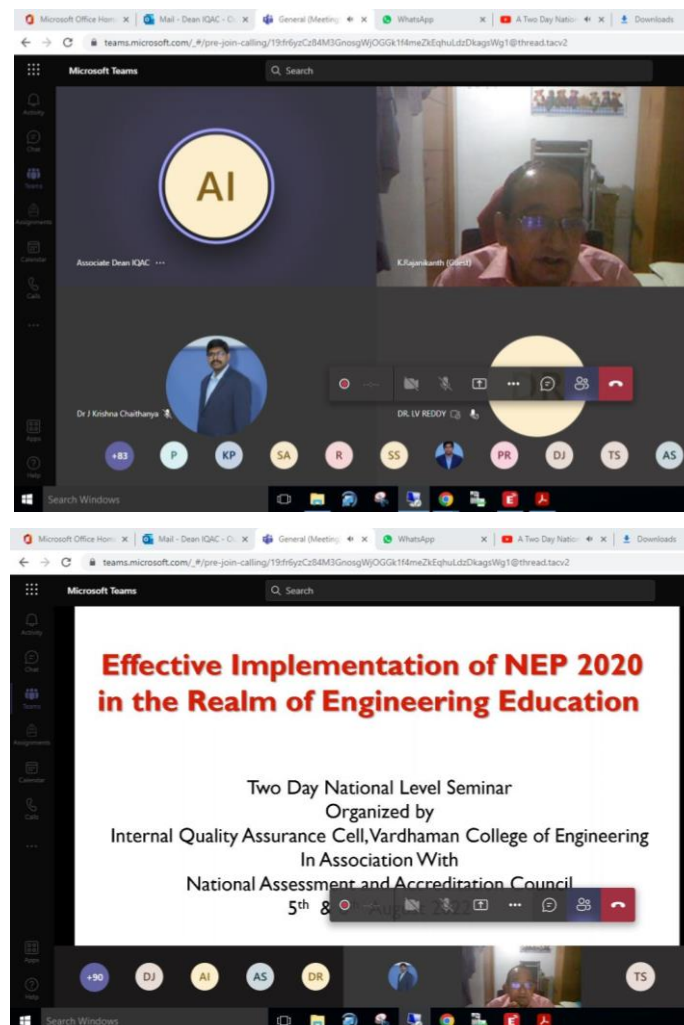

Keynote Address-2:**Dr. K. Rajanikanth,**

Former Principal, MSRIT, Bengaluru

Date: 05 August 2022**Time:** 11.00AM to 12.00PM**Some of the key points shared were:**

- The importance of equity-based education and how NEP 2020 inculcates this theme.
- Elucidated on tapping into the potential of technology to realize the dream of equity-based education.
- NEP-2020 also tries to meet the exigent demands of the New India through teacher training, infrastructure development, collaboration among research fraternity.

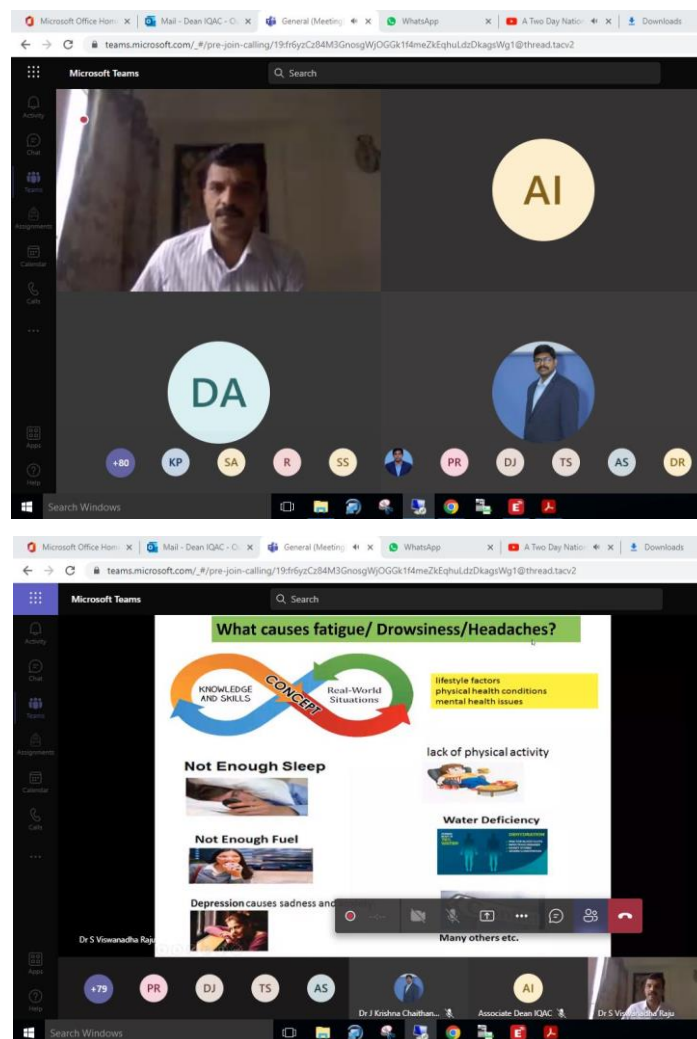

Session Speaker:**Dr. S. Viswanadha Raju,**

Vice Principal – JNTUHCEJ Jagtial

Date: 05 August 2022**Time:** 12.00PM to 01.00PM**Some of the key points shared were:**

- Importance of local education, community participation and conceptual understanding which is imperative to holistic education
- Importance of out of box thinking and how to train youths to achieve a non linear and intuitive thought process.
- Emphasized on how NEP 2020 envisages the implementation of HEI's.

Session Speaker:

Dr. Balwinder Singh Dhaliwal,

Associate Professor, ECE Department, NITTTR, Chandigarh

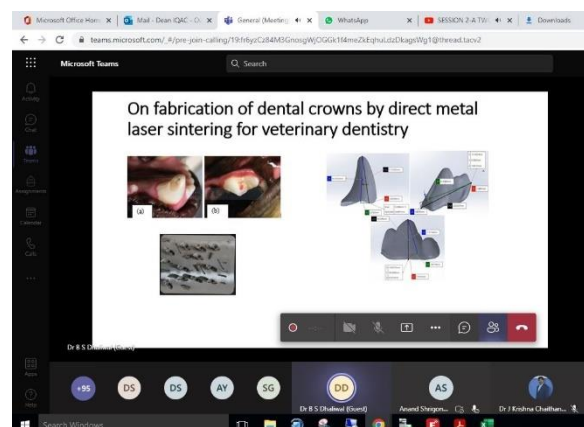

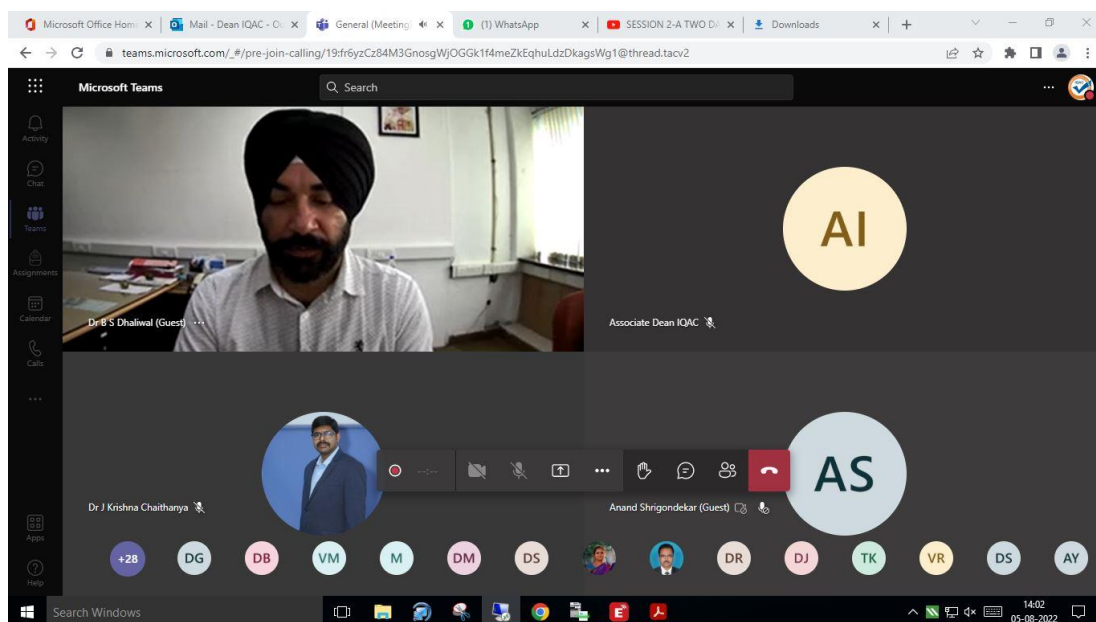

Date: 05 August 2022

Time: 02.00PM to 03.00PM

Some of the key points shared were:

- Pluralism is the fundamental pillar of NEP-2020
- HEI's are pivotal in realizing the dream of true multidisciplinary domain of education
- How the ancient education philosophy had imbibed the essence of multidisciplinary approach thousands of year back

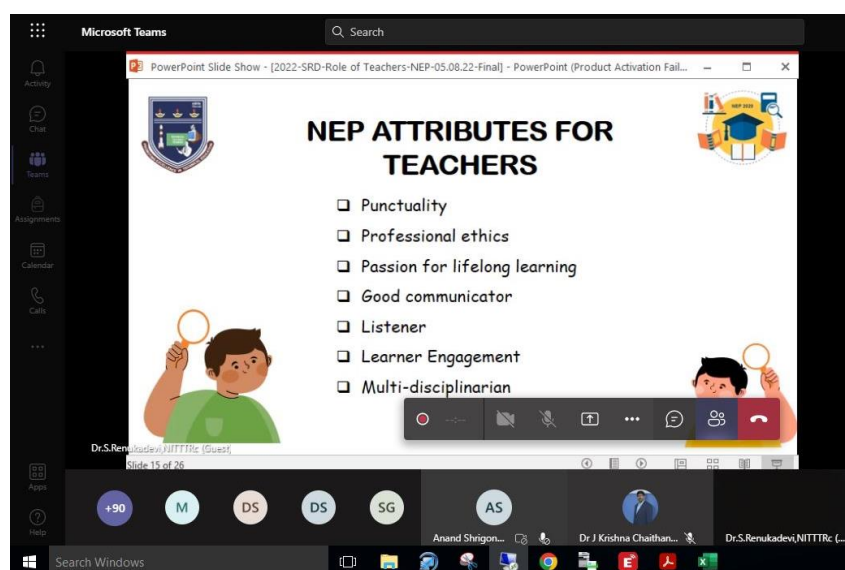

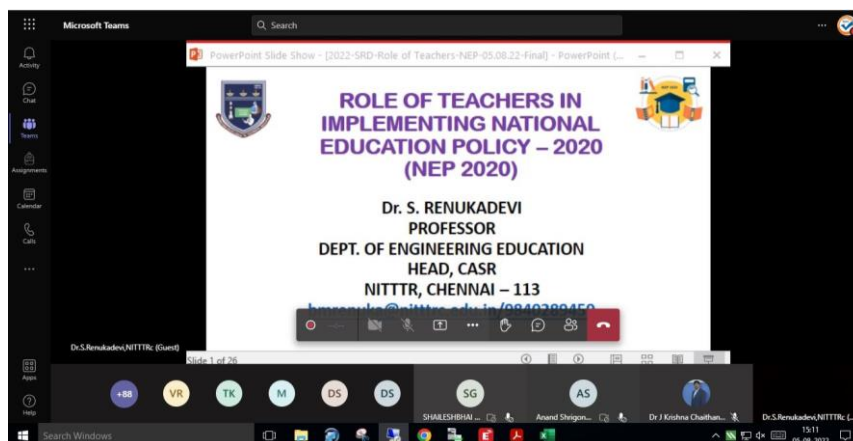

Session Speaker:**Prof. S. Renukadevi,**

Professor, Engineering Education Department

Date: 05 August 2022**Time:** 03.00PM to 04.00PM**Some of the key points shared were:**

- Transition of education from conventional mode to the virtual mode.
- How NEP 2020 inculcates the extensive usage of technology and to revolutionize the Indian education system
- Importance of understanding the NEP attributes for teachers and how to follow them

Day #02 Proceedings

Session Speaker:

Prof. N.V. Ramana Rao,

Director, NIT Warangal

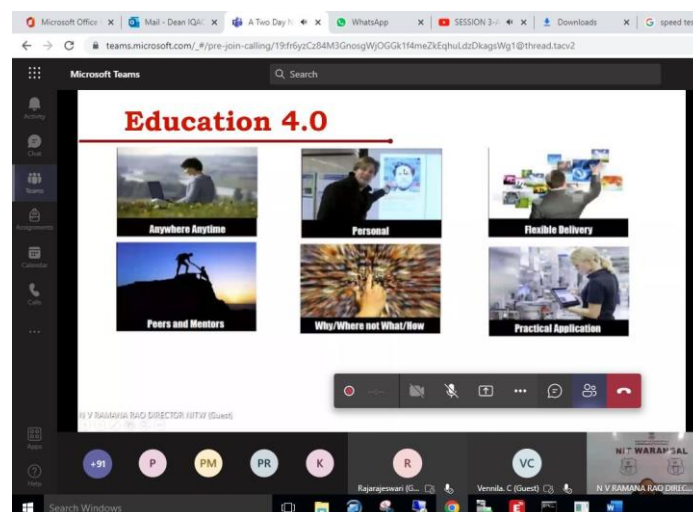

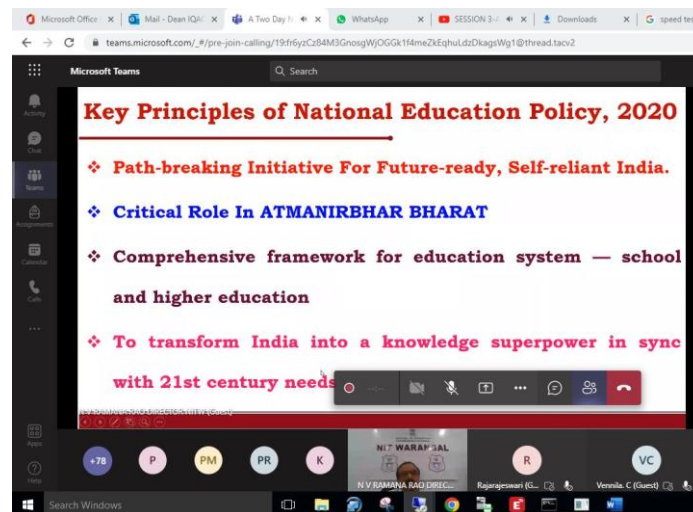

Date: 06 August 2022

Time: 10.00AM to 11.00AM

Some of the key points shared were:

- Gave a clear and deep understanding of each and every aspect of NEP 2020
- The importance and benefits of consolidation of HEI's , multi entry & exit options, and Academic Bank of Credit (ABC)
- Key challenges being faced by our present education system.

VARDHAMAN COLLEGE OF ENGINEERING (AUTONOMOUS)

Affiliated to JNTUH, Approved by AICTE, Accredited by NAAC with A++ Grade, ISO 9001:2015 Certified
Kacharam, Shamshabad, Hyderabad - 501218, Telangana, India

Session Speaker:

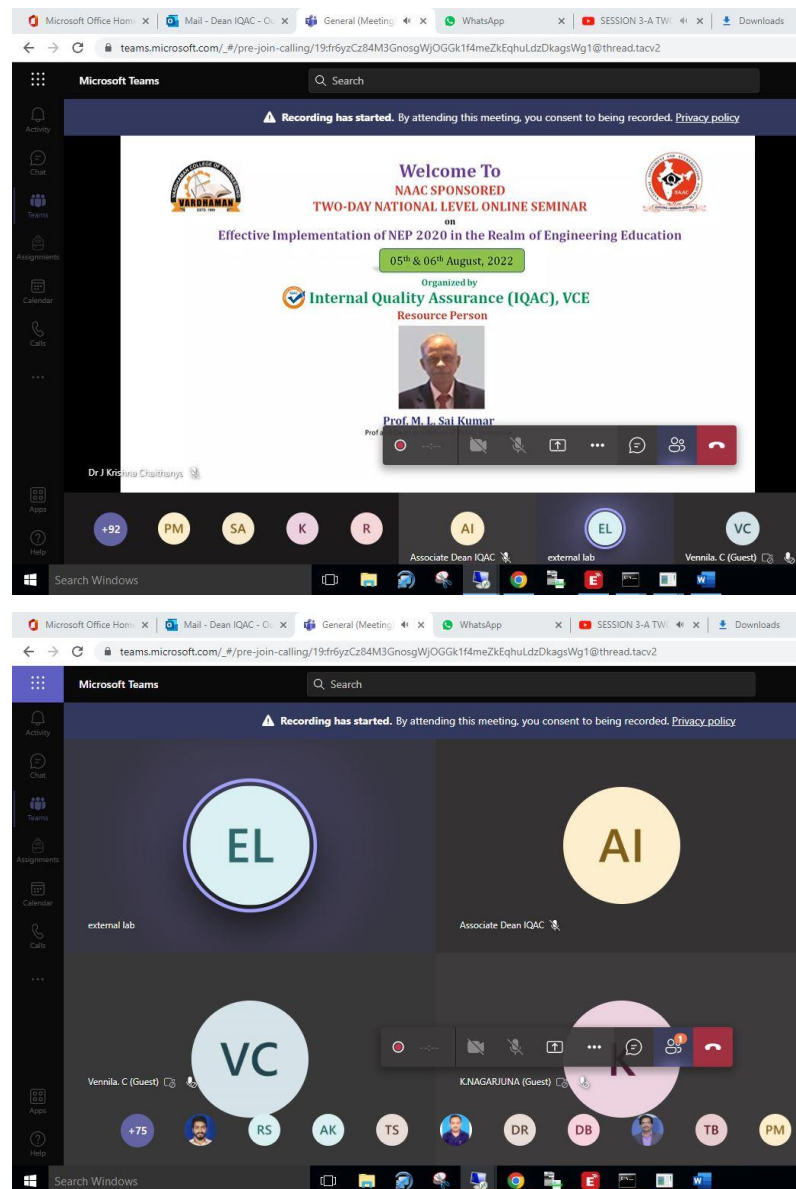

Prof. M. L. Sai Kumar,
Professor Dean at Institute of Public Enterprise
Date: 06 August 2022

Time: 11.00AM to 12.00PM

Some of the key points shared were:

- Engaged the participants through his practical explanations on how to teach well
- Importance of going through the NEP 2020 document by all the educationalists
- Nep 2020 envisages to not make learners graduated but also educated to compete in the rapid transition of industries 5.0.

Session Speaker:

Dr. Sandeep Singh Gill,
Professor, Head Dept. of Information Mgmt & Coordination,
NITTTR, Chandigarh

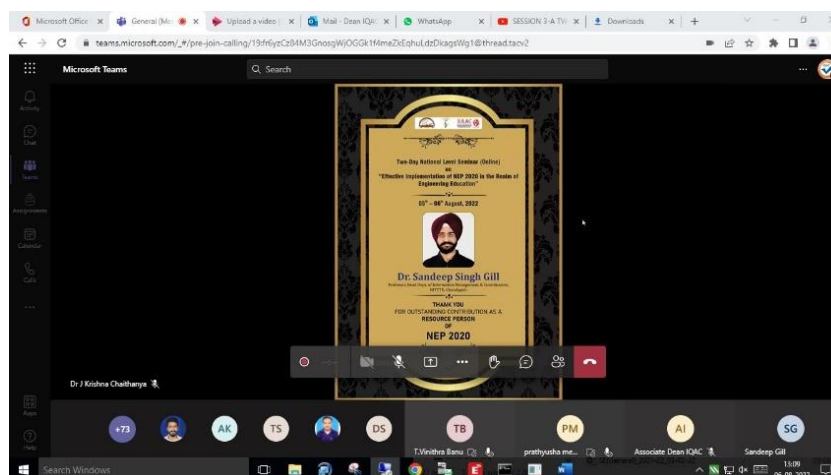

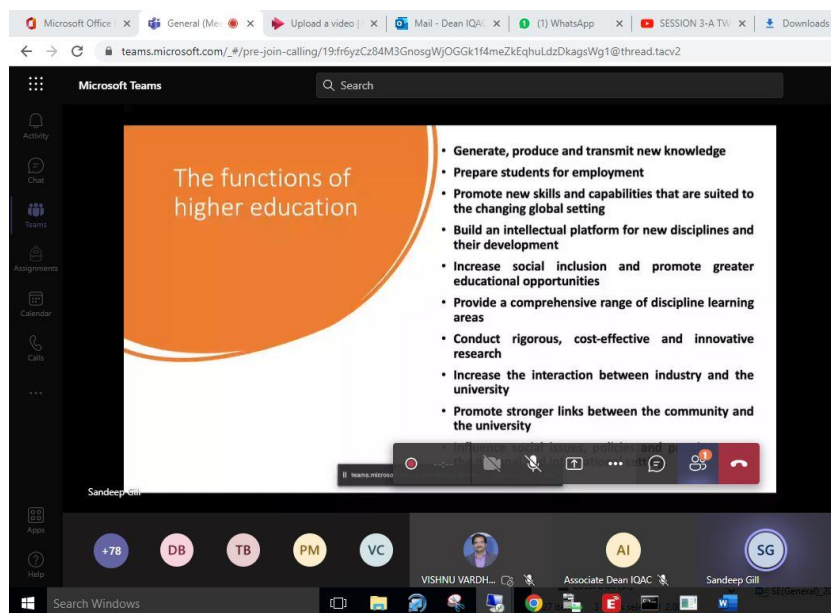

Date: 06 August 2022

Time: 12.00PM to 01.00PM

Some of the key points shared were:

- The lacunae in the HEI's and how NEP 2020 aims to eradicate them.
- Bilingualism in technical education is germane to a country as wide and diverse like India
- Indian education system shall see a new dawn on successful implementation of NEP 2020. It would mark a huge deviation from current mode of pedagogy.

Session Speaker:

Dr. Kalpana Purohit

Professor, Head Dept. of English,
Jai Narain Vyas University Jodhpur

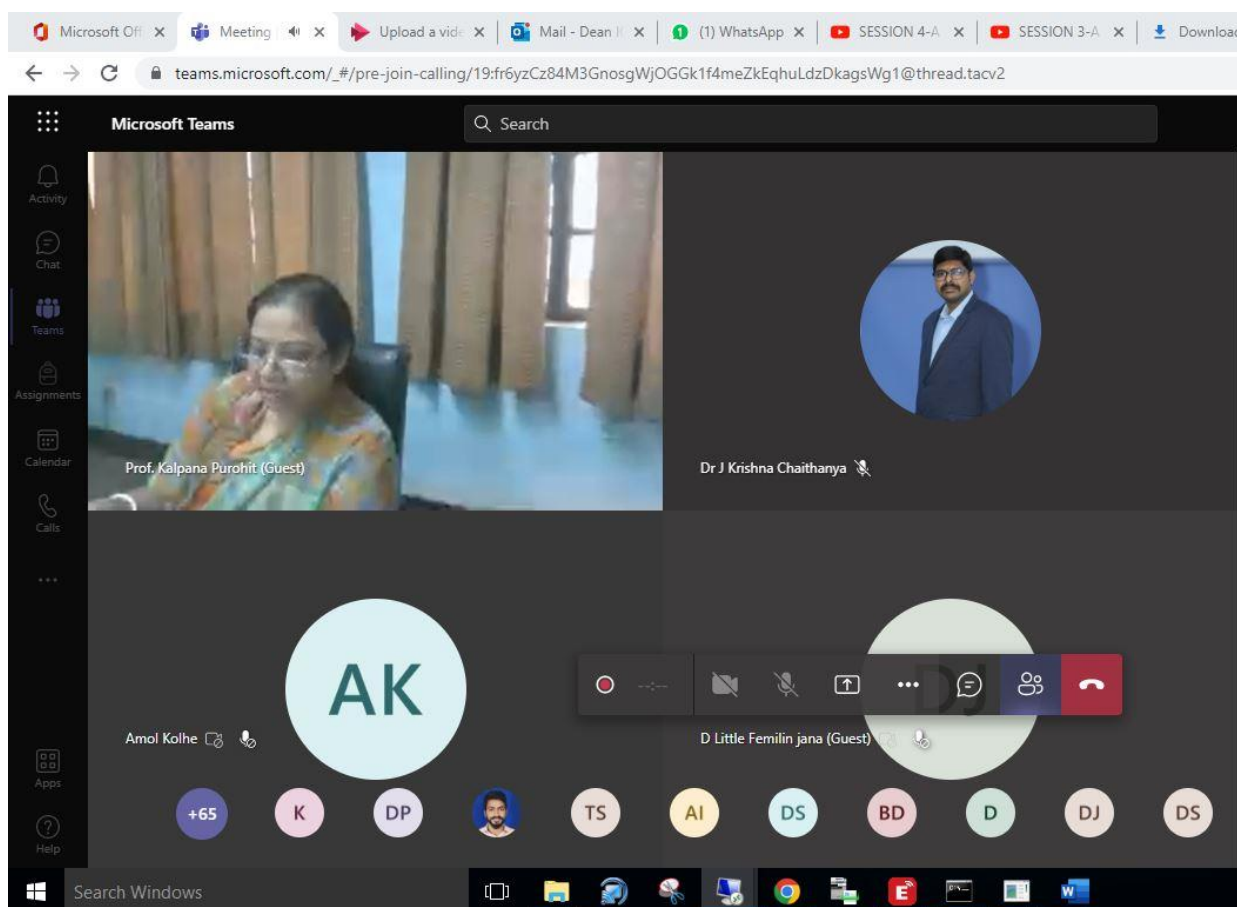

Date: 06 August 2022

Time: 02.00PM to 03.00PM

Some of the key points shared were:

- Emphasized on value based education system and how our forefathers like Gandhiji and Tagore envisioned the future of Indian education
- Schools and Colleges should be a place where education is of the Head(Intellect), Heart(Values) and Hands(Skills).
- India has been lighthouse of knowledge and NEP 2020 is a reiteration of the same egalitarian approach.

Session Speaker:

Dr. Maya Ingle

Professor of CSE, Devi Ahilya University, Indore

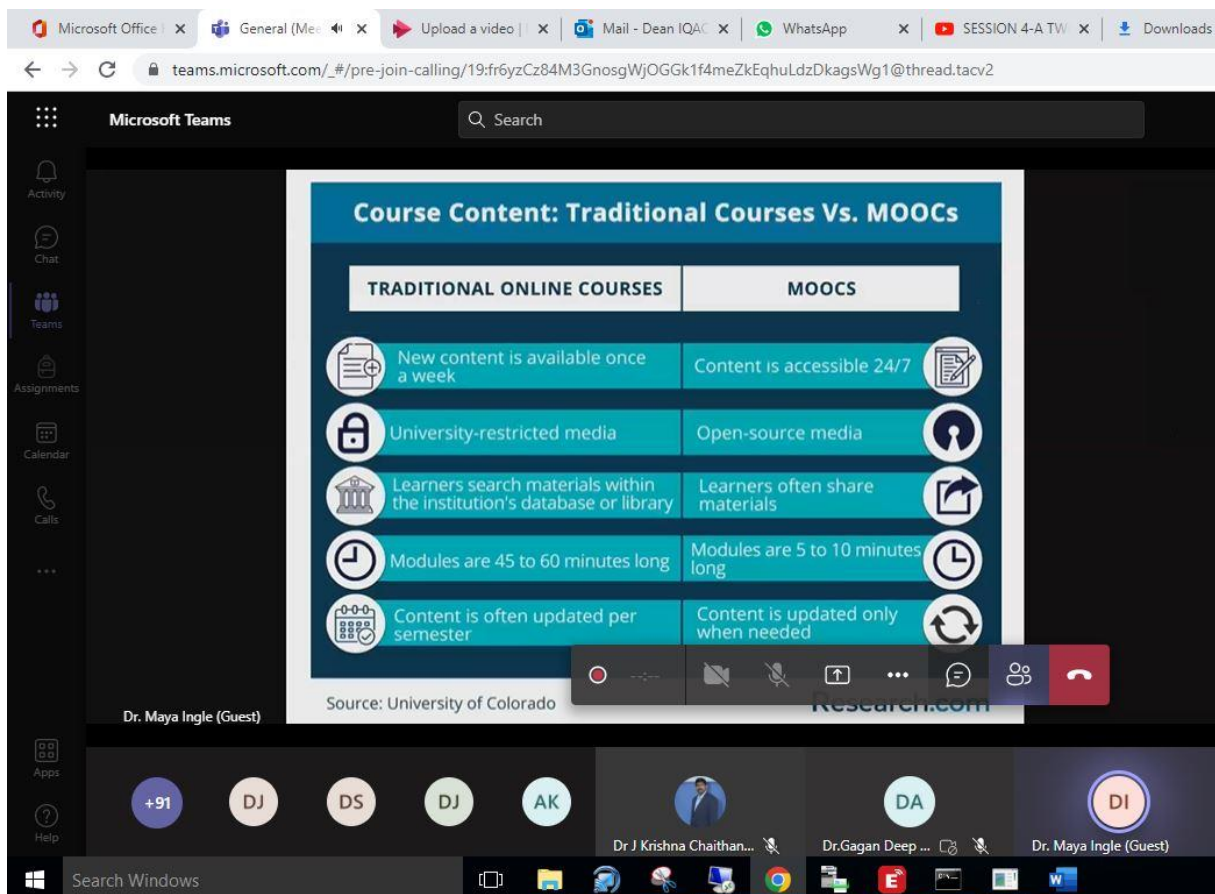

Date: 06 August 2022

Time: 03.00PM to 04.00PM

Some of the key points shared were:

- Importance of online education , MOOCS/VOOCS, Academic Bank of credit
- NEP-2020 assures to move beyond brick and mortar mode of pedagogy.
- Need for value based education.

The screenshot shows a Microsoft Teams meeting interface. The main content area displays a presentation slide titled "Course Content: Traditional Courses Vs. MOOCs". The slide compares traditional online courses with MOOCs across several dimensions:

TRADITIONAL ONLINE COURSES	MOOCs
New content is available once a week	Content is accessible 24/7
University-restricted media	Open-source media
Learners search materials within the institution's database or library	Learners often share materials
Modules are 45 to 60 minutes long	Modules are 5 to 10 minutes long
Content is often updated per semester	Content is updated only when needed

Source: University of Colorado

The Teams interface shows a sidebar with icons for Activity, Chat, Teams, Assignments, Calendar, Calls, and Help. At the bottom, there is a meeting bar with participant avatars and names: Dr. J Krishna Chaithan..., Dr. Gagan Deep..., and Dr. Maya Ingle (Guest). The Windows taskbar is visible at the very bottom.

Outcome of the Seminar:

- The seminar will enable policymakers to devise a comprehensive plan to implement the NEP 2020 in their educational institutions.
- It will foster understanding of the core components of the policy and the rationale behind the same among the participants.
- The seminar will allow participants to exchange updates on the current status of implementing the NEP in their respective institutions.
- It will help teachers of technical courses to widen the horizon of the courses to inculcate and promote multidisciplinary understanding of the courses and inculcate a suitable teaching methodology.
- The seminar will guide the participants on including research as an integral component of the curricula. It will thereby make the participants get a grip of including critical thinking skills as a part of core skills to be inculcated by learners.
- In so far as teacher participation is concerned, the seminar will be of immense help in understanding ways to incorporate the suggestions of teachers in designing and implementing the new curricula. Moreover, it will also enable the participants to identify areas crucial for including in the prospective faculty development programmes.
- The deliberations in the seminar will be of great value to gear up in the direction of bringing major educational reforms by identifying ways to implement the NEP 2020 at all levels of technical education.
- The seminar will help in gazing learner outcomes on implementing the NEP 2020. It will also help the decision makers at the institutions estimate their learners' job readiness, entrepreneurial acumen and research aptitude. It will enable the participants to sketch out plans to enhance employment opportunities by upgrading the necessary skills of the students and helping them make a globally competent professional. Further, it will help in understanding methods to encourage and support students with lifelong learning opportunities.
- Since the focus of NEP 2020 is on holistic development of learners, the seminar will result in helping the participants contemplate on preparing an inclusive curriculum with specific emphasis and adequate weightage given to the value-based courses, which will hone the behavioural skills of the students.

Future Follow-up Actions Proposed by the Institution:

- The institution proposes to undertake further intriguing and thought provoking seminars and symposium on the emerging themes of AI, Robotics, AR/VR, Cryptography, and many more relevant topics.
- We shall strive to invite more erudite and speakers of key importance which shall prove to be beneficial and enlightening to the participants.
- We will also work upon the constructive feedbacks received from our guests and participants.
- Once again, Vardhaman College Engineering would like to thank NAAC, Bengaluru for endorsing the seminar.

Acknowledgements:

We are grateful to NAAC, Bengaluru for giving us the opportunity to organize a two-day National Level Seminar on “Effective Implementation of NEP 2020 in the Realm of Engineering Education” we have received excellent support from NAAC officials at every stage, right from the inception till the successful execution of this seminar.

We sincerely appreciate the contribution of Prof. S. S. Mantha, Dr. K. Rajanikanth, Dr. S. Viswanadha Raju, Dr. Balwinder Singh Dhaliwal, Prof. S. Renukadevi, Prof. N.V. Ramana Rao, Prof. M. L.
